BML Email List

As another means to foster effective communication, we are asking all residents to furnish their email addresses. Email is an easy way for residents to correspond with the office to obtain account statements and other information. This list may also be used for important announcements or emergencies. The email addresses will be used for Blue Mountain Lake related matters only, and not be otherwise shared. **Please make sure that you provide an email address that will allow messages sent from a group or distribution list (certain accounts, like AOL, for example, require the account holder to register the email sender to be able to receive email sent to groups).** If at any time you wish to no longer receive email correspondence, you may do so by requesting removal from the list.

Deeded Owner's Name: _____

E-Mail Address: _____

Deeded Owner's Name 2: _____

E-Mail Address 2: _____
